Get your kids Kidovating this Spring Break! Kidovate is a fun, free youth entrepreneurship initiative of UVIC's Gustavson School of Business for middle school and high school students. Kidovate aims to develop entrepreneurial spirit and acumen by encouraging youth to make and then sell their products on Kidovate Market Day. Last year more than 100 youth participated. This year's market will be held on Saturday, April 15th at The Bay Centre. There is no cost to participate in Kidovate and there are many resources available to help youth be successful.
